WHAT ARE YOU DOING, FUCKING BRAT?
Appealing in front of the bodies of Emperor Nero (L)?

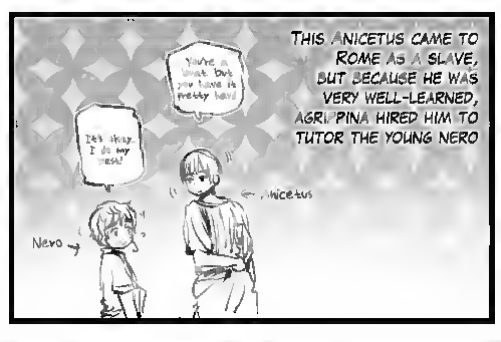
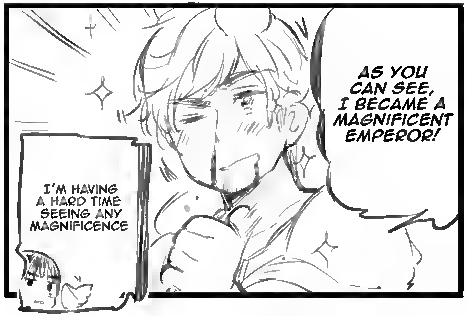
IT'S YOU AFTER ALL!
MASTER ANICETUS!?
ANICETUS
FREED SLAVE ORIGINALLY FROM GREECE
TUTORED LITTLE NERO



THIS ANICETUS CAME TO ROME AS A SLAVE, BUT BECAUSE HE WAS VERY WELL-LEARNED, AGRIPINA HIRED HIM TO TUTOR THE YOUNG NERO

AW YEAH! IS IT OKAY? CAN WE REALLY MAKE MUSIC?
I GIVE UP ON TEACHING YOU STUFF. HOW ABOUT SOME GREEK MUSIC INSTEAD?
BUT BECAUSE HE WAS PRETTY PROBLEMATIC AS A TEACHER.
HE WAS FIRED.
NOOOOOOO
Anicetus!
Nero's House
ANICETUS!
I'LL NEVER FORGET YOU!

IT HAPPENS TO ME A LOT; THINKING I HAD A TUTOR, THEN FINDING OUT I'D BEEN DREAMING...
AAAH ,WHAT SHOULD I DO! I NEVER THOUGHT I'D GET TO MEET YOU AGAIN! I'M SO HAPPY!
STOP IT, THAT'S CREEPY!
YOU... WAIT, IT'S YOUR HIGHNESS NOW, RIGHT?
Yeah!



AS YOU CAN SEE, I BECAME A MAGNIFICENT EMPEROR!
I'M HAVING A HARD TIME SEEING ANY MAGNIFICENCE

These two a long time ago
He has such a horrible childhood shut inside all day and studying with old men...
Mashey I'm finished!

Anicetus

A Greek freed slave working as Nero's childhood tutor. Because he was a slave, his background and real name are unknown.

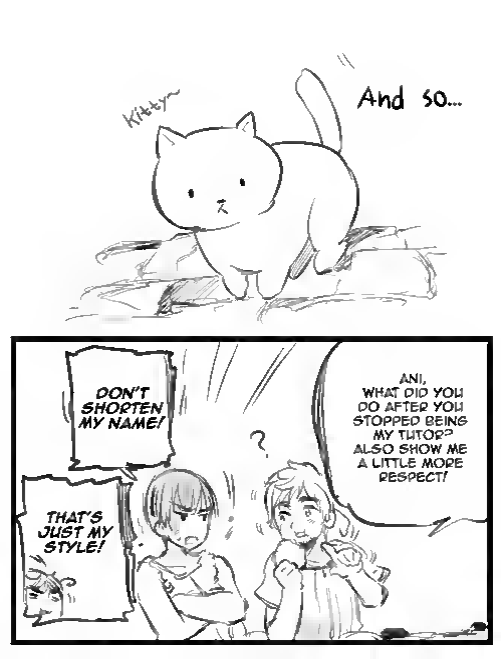
Freed slave

'Slaves' that gained their freedom either because they were cultured and artistic, or they became friends with their masters or they bought themselves back.

It's been speculated that at that time, freed slaves were so common (it's as easy as getting a fat on the shoulder for a job well done and they'd be free) that it even lead to important people warning that too many freed slaves would be a threat to the country and it should be done with caution. By the way, this status was limited to just one generation, so the children of freed slaves would be Roman citizens.

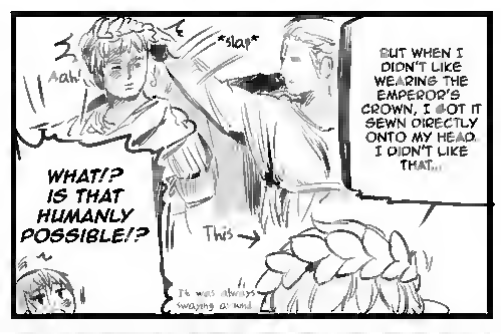
Around this time there were many freed slaves that ended up very rich or assumed high positions, imagine what glum faces the grandpas from the senate must have made at that

There were people who controlled the emperor and did as they liked.
Just leave everything to me.
Your highness can you go to sleep



And so...
Kitty~
DON'T SHORTEN MY NAME!
THAT'S JUST MY STYLE!
ANI, WHAT DID YOU DO AFTER YOU STOPPED BEING MY TUTOR? ALSO SHOW ME A LITTLE MORE RESPECT!
?

WELL...
I WAS MAKING MONEY, SOME THROUGH PROPER CHANNELS, SOME MORE SHADY BUSINESS, AND A LOT HAPPENED, AND I ENDED UP LEADING THE NAVY...
FROM A HOME TUTOR TO AN ADMIRAL; THAT'S A PRETTY BIG CHANGE OF HEART!
AND HOW ABOUT YOU? YOUR LIFE USED TO BE EVEN LESS FREE THAN MINE WAS AS A SLAVE
DID IT GET ANY BETTER ONCE YOU BECAME AN EMPEROR?
IT'S A BIT NICER THAN BEFORE...



Aah!
slap
BUT WHEN I DIDN'T LIKE WEARING THE EMPEROR'S CROWN, I GOT IT SEWN DIRECTLY ONTO MY HEAD. I DIDN'T LIKE THAT...
WHAT!? IS THAT HUMANLY POSSIBLE!?
This
It was always swaying around.

SHINE
AND LATELY I'M MORE LIKE A SIDEKICK, EVEN THOUGH I'M THE EMPEROR...
YOU CAN BLAME IT ON THAT THING BEHIND YOU...
Sidekick Nero

This letter brings bad luck. It will make the wrinkles all over your face grow deeper

YOUR MUM IS AWFUL, BUT YOUR POEMS AREN'T ANY BETTER.
AND MY SECRET POEMS THAT I THOUGHT WERE CAREFULLY HIDDEN GET LINED UP AND GRADED..

A STRONG WIND WILL NEVER BREAK ME HEY, COME ON, THIS IS WHERE YOU START APPLAUDING ME!
I ONLY UNDERSTAND THAT YOU'RE EXHAUSTED
BUT EVEN IN SUCH A TOUGH ENVIRONMENT I'M NOT GIVING UP! I'LL CONTINUE FIGHTING, LIKE A FLOWER GROWING WITHIN THE CRACK OF A ROCK

THAT'S NOT TRUE! YOU SEE, SOMETIMES IT CAN BE... NOT QUITE SO BAD...!
You've always hated it.
ARE YOU EVEN FIT TO BE AN EMPEROR? WHY DON'T YOU JUST STOP DOING THINGS YOU DON'T WANT TO?
It's not like I want to stop, but can't.
Ehehehehh...
AT LEAST YOU'RE AWARE OF THAT...
...WELL IT'S TRUE THAT I'M NOT VERY GOOD AT ANYTHING OTHER THAN ART...
BUT I HAVE AMAZING PEOPLE BY MY SIDE!
clap

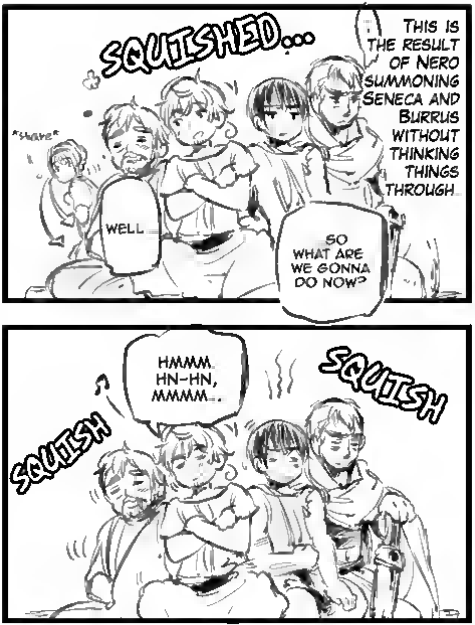
TA-DAAA!
THE HIGHLY TALENTED HEAD OF MY GUARDS, BURRUS!
AND THE MONEY HUNGRY SENECA!
WELL THEN, HE'S SENECA THE ONE WHO ALWAYS EATS UP ALL MY SWEETS WHENEVER HE VISITS MY HOUSE!
PLEASE STOP SAYING I'M GREEDY WHEN INTRODUCING ME TO PEOPLE...
PLEASE STOP...

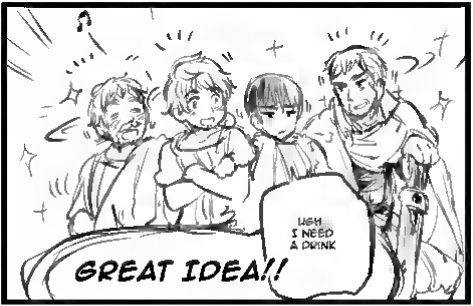
Burrus

A soilder who fartners uf with Seneca. He's in charge of protecting Nero and fires warning shots at his silliness

He supports Nero on the military side of things. He's strict with Nero-chan, but he sometimes indulges him too.



SQUISHED...
THIS IS THE RESULT OF NERO SUMMONING SENECA AND BURRUS WITHOUT THINKING THINGS THROUGH.
SIGH
WELL...
SO WHAT ARE WE GONNA DO NOW?
SQUISH
SQUISH
HMMM. HN-HN, MMMM...



WINE, WOMEN, AND DELICIOUS FOOD >>>>>>>>>> EVERYTHING ELSE

[Pax Romana]

A period of peace in Ancient Rome established by Augustus.

Since Nero was a tyrant, most people would think that under his reign the whole Rome would be in a period of decedence, where unruly people in mohawks would run around shouting, "Nya-ha! Roman underwear is like a loincloth-!" but surprisingly, it was a rather peaceful time in the Roman Empire
